

SafeAudio for Kids

BuddyPhones® School+ is the easy choice for parents whose children use headphones in educational settings. Volume-limiting circuitry caps loudness at the World Health Organisation's recommended 85dB safe level while a high quality beam mic picks up the child's voice clearly and minimizes distracting background noise. The headband pad and ear cushions were chosen for extreme comfort and can be worn for extended periods with ease.

FEATURES

- | | | | |
|------------------------|-----------------|-----------------------|--------------------------|
| • Tailor Made for Kids | • Safe Audio | • Foldable | • Adjustable Headband |
| • Sweat Wicking Fabric | • Super Durable | • Decorative Stickers | • BuddyCable for Sharing |
| • High-performance Mic | • Travel Bag | • Extra Spare Cable | |

Hygiene is paramount in a school setting where equipment is frequently touched and shared. BuddyPhones® School+ is constructed with clean and smooth plastic surfaces that are easy to wipe down. Similarly, the high tech ear cushions are anti-allergy, sweat proof and washable.

Super Durable

Adjustable & foldable

Sweat Wicking

Decorative Stickers

Detachable Mic

Stickers

Travel Bag

Comes with spare
3.5mm jack cable

The beam mic cable sports an in-line answer call button and comes with our patented BuddyJack system which allows multiple listeners to share a single device. The headphones are foldable and the beam mic is detachable allowing for compact storage and transportation. A standard audio cable is included in the package so that these versatile headphones are just as convenient to use on trips as they are at school or at home.
