EAN CODE

Bezel 18" inch tablet, improved version with wall closure and slip-in.

Advantages compared to the predecessor:

- Tablet and mounting frame disappear into the bezel

- Magnets in the bezel and not screwed on

- The bezel has been lowered/flattened towards the touchscreen

- Single product, bezels can be purchased individually

- Different standard colours black, silver, white

- Custom colours bronze, gold, RAL colours; can be ordered from 100 pieces

Product:

Colour black, narrow

The cover is magnetically fixed to the installation frame. The magnets must be mounted in the panel

Please bear in mind that the tablet speakers are located on the back of the tablet and the quality and volume of the sound options will be reduced as soon as the tablet is installed in a wall.

Part No.: 212842
Vendor Part No.: ALLTCover18NBv1

The tablet is screwed to the frame via the vesa holder and then mounted in a drywall or wooden wall. Walls are of course also possible, but are only recommended to a limited extent due to possible heat accumulation.
